

STAGING **HeyRay.ca**

905-877-9001 • 1-877-893-9001

proven to sell for more!

Sell faster & at a higher price! Get the results that can mean THOUSANDS more for your home. The HeyRay team offers a full home staging service at **NO COST** to our clients. We are as invested in your home as you are. The HeyRay team goes beyond offering a free "consultation" ... we actually stage your home!

Home staging is the art of preparing and packaging a home for sale.

Marketing your property is not just listing it on the MLS® or posting signs & advertisements. Home staging is a careful merchandising plan focused on appealing to a wide range of buyers. Staging and preparing your home for sale gives you a competitive edge and helps you sell faster & at a higher price.

Our staging professionals work to enhance the positive aspects of your home, such as a great view, a large rooms or beautiful grounds ~ highlighting the features of your home that most appeal to potential buyers. We own a large inventory of staging furniture and accessories and have a talented design team skilled to make the staging of your home easy. Let us work for you to get top dollar for your home.

Experience the difference the HeyRay team makes in selling your home!

advantages

Staged homes show better than competing homes for sale.

Staged homes show better than competing homes for sale.

Staged homes often sell for more money and in less time than non-staged homes.

Photos of staged homes look much better in print and internet advertising.

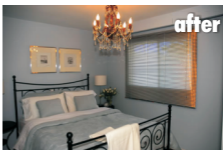

Staged homes are recognized as properties ready to sell and are more likely to be shown by realtors.

Staged homes are recognized by buyers as the best homes to view.

Many people don't realize that staging their home is much less expensive than the first decrease in the asking price if the home is not selling.
